

US II Homework * Week of 1/30/12
Due FRIDAY, February 3, 2012

1. **Read Chapter 23, Section 3 “New Technologies Change the Way War is Fought” on pages 296-299.**
2. **Create Cornell Reading Notes** on page _____ (right side) in your notebook. If you forget how to create Cornell Reading Notes, see the “FAQs” section of our class website.
3. After you’ve finished reading, **answer the following questions** in complete sentences on page _____ (left side) in your notebook:

1. *How did machine guns change the way wars were fought? What were their advantages? Disadvantages?*
2. *What is trench warfare?*
3. *What is “no man’s land”? Why was it called that?*
4. *What were the effects of mustard gas?*
5. *Use of poison gas as a weapon of war was eventually made illegal in 1925 (well after World War I). Do you agree with this decision? Why or why not?*
6. *How did tanks help to end the “stalemate” in the trenches?*
7. *How did the use of planes in warfare evolve during World War I?*
8. *Which invention discussed in this section do you think had the most significant impact on the way wars were fought? Why?*
9. *What larger physical, emotional, or social effect do you think technology had on soldiers in the war?*
